

# E-bike incentive vouchers for income qualified Californians

The California E-Bike Incentive Project provides point-of-sale incentive vouchers to help income-qualified Californians purchase a new electric bicycle (e-bike). Our goal is to make environmentally-friendly transportation accessible and affordable to all.

## What is an e-bike incentive voucher?

An e-bike incentive voucher is awarded to approved applicants to be applied as a point-of-sale discount when an eligible e-bike is purchased. To redeem an incentive voucher, you must first complete an online application and receive an approval notification. Incentive funds are paid to the e-bike retailer who provides the discount.

## How much are the e-bike incentive vouchers worth?

<b>\$1,750</b>	<b>+ \$250</b>	<b>\$2000</b>
Base income qualified incentive (300% FPL)	Priority applicants (225% FPL) or disadvantaged/low-income communities	Maximum total voucher amount

## How can I get an e-bike incentive voucher?

Applications will be accepted through our online portal on a first-come, first-served basis. Applications will require basic information about the applicant as well as residency and income verification documentation.
